# Global Achievements

- ✓ Achievement can be measured via statistics, numbers, figures, etc. but achievements can also be measured in a more holistic way
- ✓ Globally, the biggest achievement observed is about education of human resources
- ✓ More than 40 Technical Experts are delivering education in the 9 FEI Regional Groups
- ✓ Competent Regional Technical Experts are now actively involved in the sustainable development of the sport in their NF
- ✓ New NFs joining the FEI Solidarity Programme: Lithuania, Latvia, Palestine, Israel, Kyrgyzstan, Iran, Algeria, Tunisia, India, Thailand, Philippines
- ✓ The new FEI Olympic Programme allowing for more flags at OG is strengthening the mission of the FEI Solidarity Programme

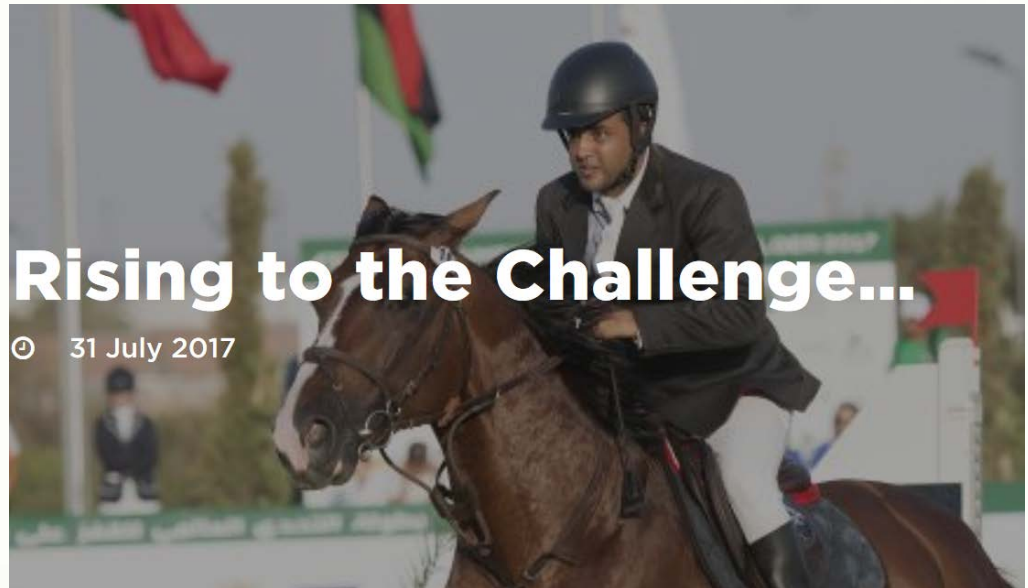

Together Everyone Achieves  
More

# FEI World Jumping Challenge Final, Algiers 2017

It was the great Russian author Leo Tolstoy who wrote *"the two most powerful warriors are patience and time"*

and it was the India's **Nitin Gupta** who used patience and time to his advantage when winning this year's FEI World Jumping Challenge Final in Algiers!

Fahd Mesbah (ALG) took silver ahead of Lupe Valente (URU) in bronze.
